WELCOME TO THE TECH FAMILY

Welcome to Tech, parent! You will want to arm yourself with as much information about the Student Orientation Program as possible. The Student Orientation Program is a great way to prepare your student for university life. It is a must for parents and students and required for every new student.

REGISTRATION

Parents must register to attend. Once your child has registered for Orientation, a Welcome Event email from Student Life will be sent to your student's email account. Upon receiving your registration and fee, we will automatically place you in the Parent Orientation for the same session as your student's email account. A confirmation is then emailed to you with the session dates. Should your student's first choice not be available, the next available session choice will be automatically placed. If you want to be assured of a particular session, you must register by the registration deadline. Choose early to be here. We want you to be here. You can't miss out!

WEATHER: Departs every 30 minutes from Tolliver Hall between 12 p.m. and 5 p.m. or 3 and 5 p.m. A parent-only check in will be 7:30–8:30 a.m. Thursday morning in Howard Auditorium. We will start Parent Orientation with an introduction and overview of our Summer Orientation experience at Louisiana Tech University. For a complete listing of lodging options, visit www.rustonlincoln.com or you can contact the following hotels.
